Situated in the midst of the Netherlands

The 11-storey Inntel Hotels Utrecht Centre is located on an inspirational hotspot and connected to Utrecht Central station. A unique location to meet, stay, gather and relax. By public transport it is one of the best accessible locations in The Netherlands. Traveling to Schiphol Airport can be done in a mere 35 minutes.

The interior design of the hotel is based on the many connections that characterize Utrecht. If you look closely you can discover the icons of the city, monuments, ancient arches, the roads and canals throughout the hotel. Follow the cobblestone into the U food & drinks and experience the urban vibe of and enjoy a great coffee, lunch or à la carte dinner.

Meetings & Events

With 300m² of flexible rooms Inntel Hotels Utrecht Centre is the perfect location for successful meetings and unforgettable events. Enjoy the beautiful view over the city from the 11th floor or make a first class railway journey in our boardroom.

Hybrid Meetings & Events

Are you hosting an important kick-off, product launch or training soon? Live-communication in times of social distancing has changed in new and creative ways. Daily work life and events all took a sprint into the digital world.

There are various ways to host a hybrid event. Visiting the livestream can be done online with a webcast, partially on location and partially online and/or broadcasted in various meeting rooms.

The event experience of your digital visitor will be completely different when you are broadcasting from a studio that has been decorated especially for you. You can also choose to decorate a broadcasting location. Together with our partner, Ruad Audiovisual Solutions, we created various all-in-one hybrid solutions.

Business Meeting

- Plug & Play set-up for online business meetings with Microsoft Teams, Zoom or Google meets
- Conference camera connected to the laptop including a microphone with speaker. The microphone can register sounds up to a distance of 8 meters
- The possibility to program different positions so you can change the camera angle, during the meeting, by pushing the button
- For up to 10 people

from 300,- (excl. tax)

Interactive Meeting

- Interaction with your viewers through visuals, sound and Q&A options
- Fully serviced set including two technical supervisors
- The remote control cameras will be controlled by the technical supervisors. They can be connected to your laptop to broadcast the presentation
- Dynamic shots of both the presenter and the audience
- For up to 250 participants. With 20 participants on screen including sound.

from 2.000,- (excl. tax)
